Additional Information

On 05-25-11, at 0243, I was contacted by off duty officer J.L. Marrero (62662) as he was arriving home, at [REDACTED] in reference to a possible vehicle burglary in progress. I logged out on an investigation CCR and arrived at the scene.

While driving into, Ofc. Marrero contacted me again and asked me to request additional units as there were a total of four possible suspects. Once I arrived on scene to assist Ofc. Marrero, suspect James was detained. Officers P.J. Napoli (64377) and D.P. Gibson (69754) also arrived on scene to assist.

Ofc. Marrero advised the following:

"On 05/25/2011 at 0240 hours, I was flagged down in front of building four (4) at [REDACTED] by a citizen in reference to a suspicious subject.

The citizen advised me that he believed the suspect was looking for vehicles to break into in the apartment complex. It should be noted that there have recently been multiple burglaries to vehicles in the apartment complex. I observed the suspect shining a black flashlight at my police vehicle (parked) and then into several vehicles that were parked in the complex. I then noticed three (3) additional subjects walking in the middle of the apartment complex roadway. I was on the phone with Officer D.L. Wilson and requested for additional units to investigate. I followed the subjects to the back of the complex (building 7) and identified myself as a police officer with the Jacksonville Sheriff's Office (displayed my credentials). One of the subjects was detained. Officer Wilson then arrived and observed the suspect trying to conceal himself between two (2) cars as she drove by. The suspect then walked towards me. I once again identified myself as a police officer with the Jacksonville Sheriff's Office (displayed my credentials). The suspect had one of his hands concealed in his pocket and I then held my off duty weapon at my side. I ordered the suspect to take a seat on the curb while I conducted my investigation. The suspect refused after three (3) orders and stated, "Officer put the gun down! No, put the gun down!" I once again ordered the suspect to sit on the curb while simultaneously displaying my badge and he replied, "You can't arrest me, I am Military Police with the U.S. Army!" At the same time, the suspect pointed at a tattoo of OIF on his right arm. The suspect continually told me that he is a Military Police Officer and that I could not arrest him. Officer Wilson then assisted me with placing the suspect in handcuffs. The other subjects were trespassed from the property and released because I had not observed them attempting to conceal themselves. I informed the suspect of his Miranda Rights via memory. The suspect was unable to explain why he was shining his flashlight into multiple parked vehicles. He was also unable to explain why he had ducked down in between two parked vehicles when he saw Officer Wilson's patrol vehicle approaching. Post Miranda, the suspect advised that he did see my badge. I asked the suspect how many times I had ordered him to sit down at the curb of the street and he replied, "Atleast two times." The suspect then invoked his rights and asked for a public defender."

The suspect stated to me that he and his co-workers were on the premises distributing flyers for a moving company. It should be noted that the community is gated and cannot be accessed via vehicle without a keycard or numerical passcode.

The suspect along with the other three subjects were trespassed from the premises, two of which were juveniles; they were also curfew violated.

The suspect was arrested and transported to the PTDF.
