

EX. 2

To whom it may concern ,

I became acquainted with Tom approximately around 2015 at a meeting of Alcoholic Anonymous. At the time he was sober, working, a husband and father. I became his sponsor and he was very eager to live a better life. We went to meetings, did 12 step work, and Tom worked on a deeper relationship with God and his family. Through the years I have watched Tom grow and mature. He and his wife have retired and moved to Bristol NH with their daughter. He is a man who wants to continue to grow and be of service to his fellow man in a positive way. I feel confident this mishap has taught him many lessons and will be a better person because of it.

Sincerely Keith Burdin
