

**UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF COLUMBIA**

<b>UNITED STATES OF AMERICA,</b>	:	
	:	<b>Case No. 21-MJ-297 (GMH)</b>
<b>v.</b>	:	
	:	
<b>THOMAS F. SIBICK,</b>	:	
	:	<b><u>UNDER SEAL</u></b>
<b>Defendant.</b>	:	

**NOTICE OF ERRATA**

The government respectfully submits this notice to its Statement of Facts (ECF No. 1, 2), which was filed on March 10, 2021 in order to correct an error.

Specifically, Footnote 2 of the Statement of Facts in this case states as follows: “Agents attempted to check records to verify whether the emergency button on Officer M.F.’s radio had been activated around the time of the robbery. However, when Officer M.F.’s radio was reported stolen, it was deactivated, which erased records of the radio’s use, including any records of the emergency button being activated.”

This information needs correction. Although the Metropolitan Police Department (“MPD”) initially believed that the data had been erased, MPD was later able to recover some data from Officer M.F.’s radio activity on January 6, 2021. The data showed that the emergency button was pressed at 2:37 p.m. and 3:37 p.m. According to Figures 5-8 in the Statement of Facts (ECF No. 1, 2), Officer M.F.’s body-worn camera shows SIBICK taking the radio at 3:19 p.m.

Respectfully submitted,
