**UNITED STATES' SUPPLEMENTAL RESPONSE TO EXPEDITED MOTION FOR  
PUBLIC ACCESS TO CERTAIN SEALED VIDEO EXHIBITS**

The United States of America hereby submits this supplemental response to the Expedited Motion for Access to Certain Sealed Video Exhibits. The government continues to oppose the public release and dissemination of the videos that were obtained from the U.S. Capitol's closed-circuit video system and were introduced at defendant George Tanios's detention hearing in the Northern District of West Virginia. However, the government withdraws its objection to the public release of the videos introduced at Tanios's detention hearing that were obtained from Metropolitan Police Department officers' body-worn cameras ("BWC"). The BWC videos were introduced as at the hearing as Exhibits 6, 7, and 10.

Respectfully submitted,

CHANNING D. PHILLIPS  
Acting United States Attorney  
D.C. Bar No. 415793
