County of: Indian River

I, Peter Quinette, am the Friend of the above-entitled Defendant and I do hereby swear or affirm that:

1. I fully understand the meaning of all the terms of this affidavit and state the following under oath as a sworn statement.
2. I have known Mr. Paul Hodgkins since 2007 (approx. 14yrs) I met him when we worked together at CVS Distribution center in Vero Beach FL. I was pleased to know a young man who was respectful and well spoken. We have remained good friends since his departure from CVS. We still Keep in contact even though he lives on the other side of Florida. He visits me and is always welcome in my home.
3. Paul has always been polite and respectful of others. He has gotten involved with civic activities and has a trusting value in him that is rare these days.
4. I was somewhat shocked to hear about these charges against him. It is so out of character. I know he helps out at church; even helps random people he comes in contact with. I know he has such great potential for good and the better of society.

I ask that you find it in your heart to look at the wonderful person he is, and show mercy for his poor decision. He deserves a second chance to show us all how bright he can shine. I thank you in advance for understanding.

I, John Dalton, am first cousin by marriage of the above-entitled Defendant and I do hereby swear or affirm that:

- 1) I fully understand the meaning of all terms of this affidavit and state the following under oath as a sworn statement.
  - 2) I have known Mr. Paul Hodgkins since 1996 through close ties and gatherings with my wife's family.
  - 3) To the best of my knowledge, Mr. Hodgkins, prior to this incident, has never been in trouble with any law enforcement agency, nor has he ever performed any act to place himself in such a position. Mr. Hodgkins has never been an abuser of alcohol or illicit substances and is sober and clean. There has never been any charge against his character and I know him to be honest in his dealings and true to his word in all aspects.
- As to his character, Mr. Hodgkins is sensitive, caring and dedicated to his family and career. He is a patriot and a believer in God. He is a hard worker and passionate about all he believes in. I believe his passion, to his serious regret, caused him to act completely out of character. He has always accepted responsibility for his actions, and because of this I fully believe in his rehabilitative potential.
- 4) It is with the greatest of respect that I would ask the court for leniency in this matter, and I would ask that he be granted the opportunity to receive all the grace and mercy that may be afforded by this court.

AFFIDAVIT

I, am a Friend of the above-entitled Defendant and I do hereby swear or affirm that:

I fully understand the meaning of all the terms of this affidavit and state the following under oath as a sworn statement.

I met Paul shortly after he moved to the Tampa area in 2014. He became a member of my circle of friends quickly because of his agreeable personality and gentlemanly actions. What exactly does that mean? I am an observer. After decades of dealing with humans, I have learned to stand back and observe, then choose who I want to interact with. I choose to surround myself with good people with kind hearts, level heads and good morals. Like Paul.

Paul has proven himself a good friend over and over by his actions. He has been a consistent guardian, escorting and protecting his friends at events and outings. He is non violent. I have seen him deescalate threatening situations and break up fights without harm to anyone. Our get gatherings are fun events: themed parties, club events, camping trips, river tubing, festivals and beach parties. Paul is always watching out and making sure everyone is having a good time, safely.

Paul has a big heart and has lived his life accordingly. He has adopted several stray cats and is a loving, responsible pet owner. He has volunteered at homeless shelters and soup kitchens. He is proud of his job and is a hard worker, always trying to improve himself. Whenever anyone in our circle of friends asks for help to move or needs something hauled, Paul is there with his truck ready to help. Paul never asks for anything in return, except friendship.

Paul is one of the good guys. To me, he is always a gentleman and trusted friend. I cannot imagine him ever doing anything intentionally malicious or mean. That is not who

he is. He can be curious and adventurous. If his curiosity has gotten him into this trouble, I pray that he is given a second chance. I know he is very sorry and regretful. Please see him as the man he truly is and allow him grace, leniency and forgiveness. Please allow Paul to go on with his life, being a good man and great friend. Thank you.

I, Thomas Banks, am the of the above-entitled Defendant and I do hereby swear or affirm that:

I fully understand the meaning of all the terms of this affidavit and state the following under oath as a sworn statement.

I have known Mr. Paul Hodgkins since he was born. His Father and I were best friends for many years before his Father passed away. Our families spent a lot of time together over the years and knew each other very well.

As a young man Paul had become an Eagle Scout and was always kind and well spoken. He was always a hard worker and was responsible with saving what he earned. Paul has always been very polite and willing to help others out.

Knowing Paul and being a former Police Officer myself, I would never take this situation lightly. I feel as though he was in a situation where he was influenced, as so many others have been. Please take into consideration that Paul has always been an upstanding and law-abiding citizen.

Sincerely,

Thomas Banks

I, Edward J. Ferro, Sr., am a past employer/friend of the above-entitled Defendant and I do hereby swear or affirm that:

1. I fully understand the meaning of all terms of this affidavit and state the following under oath as a sworn statement.
2. I have known Mr. Paul Hodgkins since December 2009 when I hired Paul to wash and wax our 40 foot motorhome. He is a hard worker and did an excellent job. He was diligent and very punctual. He also became a friend of our family, and he was very helpful and proactive in assisting us with our severely and profoundly medically fragile son by transporting/transferring him and positioning him in his hospital crib in our home. He is an outstanding compassionate individual with a positive outlook on life. Paul has worked for me over the years on different odd jobs around the home and has always done an excellent job while maintaining his full time job elsewhere.
3. Mr. Hodgkins is very conscientious and law abiding individual from what I have observed, witnessed and experienced. I believe Paul made a mistake and this potential charge or mishap is inconsistent with the young man's character and

reputation that I know. I believe that Paul regrets the part he played in this event and has learned his lesson.

4. I plead with the court to provide Paul a second chance, and to give grace and mercy. He is an upright citizen and he needs to continue his life without a serious criminal record.

2. I have known Mr. Paul Hodgkins since 2007 (aprox 14yrs) through my husband Peter Quinette's job at CVS distribution center.
3. Paul is a very nice man. He has always been there for the both of us. He has always lended a helpful hand to us and others. When he is in town, he always stops by to check on us. Paul is one of the kindest, caring, compassionate person I have ever met. His love for his country, family and friends is commendable.
4. I was shocked to hear the charges he is up against. It would be a true tragedy to have his future ruined by simply being recognized at the capital.

I pray for a positive outcome for Paul Hodgkins. He is a very good man.

1. I fully understand the meaning of all the terms of this affidavit and state the following under oath as a sworn statement.
2. I have known Mr. Paul Hodgkins since 2016 through a mutual friend. We have been close friends ever since
3. In the time that I have known Paul, I have never witnessed any aggressive or violent tendencies, but the opposite. Doing random acts of kindness for his neighbors and friends. Helping me when I moved, hanging exterior lighting, buying things he thought I might need. These are just a few of the things he's done for me.
4. Paul is also passionate, yet considerate about what he believes in. So, when he told me he was going to Washington DC, I told him to be careful, but I had/have confidence that he would remain non-violent and civil. I truly feel people get swept up in passions. That is what happened here. If Paul is guilty of anything, it is of truly caring. My wish is that the court will see this and consider this strongly. I am hopeful that he will be given grace in the matter so that he is able to continue his life uninterrupted as a hardworking and law-abiding citizen.

I, Abp. +Jason H. Sanderson, am a close friend, mentor and sometime father-figure of the above-entitled Defendant and I do hereby swear or affirm that:

1. I fully understand the meaning of all the terms of this affidavit and state the following under oath as a sworn statement.
2. I have known Mr. Paul Hodgkins since 1998.
3. In the years that I have known Mr. Paul Hodgkins, I have watched him grow from a high school student into a fine young man. I have watched him deal with family struggles and tragedy, including the loss of his father, with grace and courage. I have watched him pursue his dream of becoming a professional wrestler with dedication and commitment.

I have, at times, asked him to oversee my property when I was called to mission trips and was required to be absent for extended periods. Being a single father, I also appreciated his assistance when he was willing to watch my two young sons.

He pursued his goal of becoming an Eagle Scout with equal dedication, displaying necessary leadership qualities in achieving that dream. He has never failed to lend help and support to those in need. In my own case, he has been there for me as often as I have ever needed to be there for him.

4. I, therefore, humbly petition the court to grant the defendant, Paul Hodgkins, mercy. His entire life he has been the embodiment of loyalty, compassion, courage and respect. I can only ascribe these past unfortunate actions as an aberration, not a reflection of his character. I firmly be-

lieve that, if provided with a second chance, he will avail himself of every opportunity to demonstrate his true character and show that he is, at heart, a law-abiding and upright citizen.
